

Merit Scholarship Eligibility

This policy applies to the Northbridge University Merit Scholarship.

Applicants must satisfy ALL three conditions: be enrolled in year 2 or higher; have a GPA of at least 3.50 on a 4.00 scale; and satisfy the scholarship-stacking rule below.

The Merit Scholarship cannot be combined with other scholarships, except need-based awards. Every existing scholarship must be need-based. Holding no existing scholarships also satisfies this condition.

Sports scholarships and other merit scholarships are not allowed alongside this award. A student holding both a sports scholarship and a need-based award does not satisfy the stacking condition.

Meeting only some eligibility conditions is not sufficient. A GPA of exactly 3.50 satisfies the GPA requirement.

Merit Scholarship Award Tiers

Award tiers apply only after all eligibility conditions on page 1 are satisfied.

Eligible applicants with GPA from 3.50 up to but not including 3.80 receive an award covering 20 percent of annual tuition.

Eligible applicants with GPA of 3.80 or above receive an award covering 40 percent of annual tuition.

The award does not cover hostel fees, meals, transport, or examination charges.

Application Procedure and Deadline

The application deadline is 31 August 2026 at 5:00 PM local university time.

Submit the application through the university scholarship portal.

Attach a current transcript, proof of enrolment, and a declaration listing every existing scholarship.

Applications received after the deadline are not considered in this round.
